Considering the 25 km distance between Mariehamn and Kastelholm we recommend that you take your own car to Åland. The car fare (book it via us) on the ferry to and from Åland is 80-120 euros per regular family car.

Your package program can be modified at least in a 1000 different ways (for example to include meal arrangements and/or cabins onboard the ferries and/or during the Åland stay) all depending on your request. If you have any questions – or if you want to book right away, you only need to send us an email or call us.
